

MFM Wind & Water Seal™ Co-Branding Program

Partner with MFM to Explore a Marketing Opportunity on our High Temperature Underlayment: MFM Wind & Water Seal™

Co-Branding Program Details:

Increase your brand awareness with contractors, builders, sub-contractors and the general public.

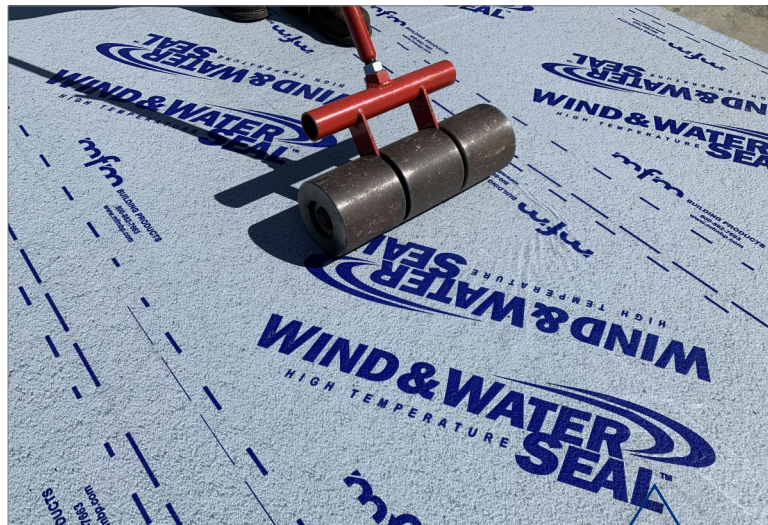

The product is imprinted with your logo (dominant graphic), and the Wind & Water Seal/MFM logos.

- ◆ Minimum order size of one truckload – 840 cartons
- ◆ Initial and replacement print die costs are the customer's responsibility
- ◆ No additional charge for printing
- ◆ Product is shipped in MFM cartons with a special carton sticker designating your company name
- ◆ MFM carries 10-year limited warranty
- ◆ Customized Technical Data Sheet available with your company logo
- ◆ Made in the USA

Contact your local MFM sales representative for more details and pricing information.

Ultra HT Wind & Water Seal® and Premium HT Tile & Metal™ Co-Branding programs are also available. Contact your local sales representative for details.

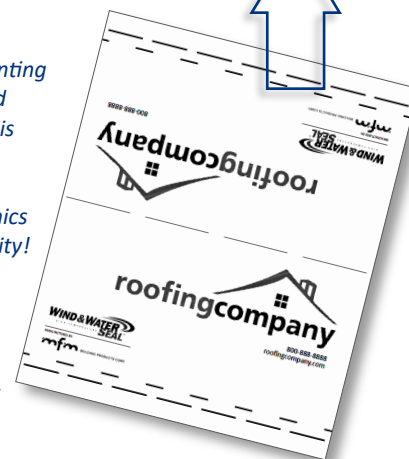

Custom Printing!

MFM can design an individual printing plate with your company logo and contact information. Each design is customized for your company.

Cool white/gray film allows graphics to pop-off surface for great visibility! Printing is 1-Color only.

Co-branding must include the Wind & Water Seal and MFM logos. Laylines and other features can be designed as needed.

Available Ink Colors:

Wind & Water Seal is a self-adhering, steep slope roofing underlayment designed to take the heat of metal and tile roofing systems. Product is rated to 250°F and self-seals around common roofing fasteners. Visit our website to request a FREE sample today.
